A screenshot of a Windows desktop with a Python 3.8.2 Shell window open. The window has a title bar with the text "Python 3.8.2 Shell" and standard minimize, maximize, and close buttons. Below the title bar is a menu bar with "File", "Edit", "Shell", "Debug", "Options", "Window", and "Help". The main area of the window contains the following text: "Python 3.8.2 (tags/v3.8.2:7b3ab59, Feb 25 2020, 23:03:10) [MSC v.1916 64 bit (AMD64)] on win32", "Type 'help', 'copyright', 'credits' or 'license()' for more information.", and three red prompt characters ">>>". Below these, the text "= RESTART: C:/Users/asus/Documents/vara kuliah/semester 4/prak algo & struktur data/MODUL 3/Nomor 3.py" is displayed. This is followed by the word "True" in blue, "False" in blue, and a list of numbers "4 16 15 14 13 2 19" in blue. At the bottom of the text area, there are three red prompt characters ">>>" followed by a vertical cursor bar. The Windows taskbar is visible at the bottom of the screen, showing icons for File Explorer, Microsoft Store, Mail, Google Chrome, a document icon, and Microsoft Word.
